

New Calgort City

Tourist Information

History Of New Calgort

New Calgort was to the 50s, a city of trader where wheat, fruits and vegetables were exchanged. Very fast, this moving plate had to face with a massive drift from the land. The mayor of New Calgort in 1960 ; Bernado Malodriga took the initiative to develop the city by building several infrastructures such as airports, residential districts and a highway around the city.

New Calgort City has got many aiprt and airfield around the city. Indeed, the city's specialization is focus on aeronautic project.

But be careful with this, many tourist come to visit the city.

MAP

You need to go somewhere ? Take a look on this map to find your route.

VISIT THE CITY !

Maybe the first place to visit is the « Notherlone Place ».

Take a cab and say this name, walk around this strange project.

Escape you a few moments by admiring the fountain at the bottom of this concreted hole.
