

Reskins (DE/EN)

Anything needed to apply reskins to different train sets, needed tools and links to existing reskins.

Alles was man zu reskinnen braucht, die tools sowie links zu existierenden reskins.

This section contains information about the tools needed to apply different skins to existing train sets. Also you will find a link list to creators of reskins so you can apply them and run them in A-Train.

There are 2 major ways to enhance the [stock](#) trains of the game (A-Train 9 V5.0):

1. Third party tools and textures

(no links for now)

2. A-Train 9 Train Construction (A9TC)

https://store.steampowered.com/app/2447420/AT...N_CONSTRUCTION/

Hier sind alle Informationen, um euren Zügen in A-Train ein neues outfit zu verpassen. Neben den Tools und deren Anwendung gibt es links zu existierenden Texturen, die ihr runterladen und verwenden könnt.

Es gibt hauptsächlich 2 Möglichkeiten, die Züge in A-Train 9 V 5.0 zu erweitern:

1. Drittanbieter Programme und Texturen

(keine Links)

2. A-Train 9 Train Construction (A9TC)
